Christ Church CE Primary School is looking for suitably qualified and experienced Learning Support Assistants to join our SEND support staff team to work with children in Reception or Year 5 who have additional learning needs.

The ability to work as part of a team under the direction of class teachers is essential; however, we are also looking for people who are able to use their initiative to fully support the child's learning, work and behaviour, through any programmes of support as indicated on the child's Education and Health Care Plan/IEP. This will include ensuring all appropriate learning resources and materials are available and ready to use and will also involve supporting the pupil for part of lunchtime.

Specific requirements of the posts include:

- Forming a positive relationship and responding to the child's individual needs as appropriate
- Differentiating activities and tasks to enable the child to access the curriculum
- Liaising with outside agencies relating to specific programmes of support
- Keeping accurate records of achievements and progress
- Responding to any health or welfare needs
- Forming trusting professional relationships with staff and parents/carers
- Working closely with the class teacher and job share partner

We are looking for a confident, caring person who can demonstrate appropriate skills and recent school-based experience to join our hard-working and supportive school team. Experience of supporting children who have SEMH and additional learning needs is desirable.

The Governors are committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. All appointments will be subject to a full DBS, search engine checks and satisfactory references. Investment in staff wellbeing and training is a priority at our school to ensure our children get the best.
