EQUALITY POLICY STATEMENT

Legal Duties

As a school we welcome our duties under the Equality Act 2010. The general duties are to:

- eliminate discrimination,
- advance equality of opportunity
- foster good relations

We understand the principle of the act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

A protected characteristic under the act covers the groups listed below:

- age (for employees not for service provision),
- disability
- race
- sex (gender) (including issues of transgender)
- gender reassignment
- maternity and pregnancy
- religion and belief,
- sexual orientation
- Marriage and Civil Partnership (for employees)

In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties. These are to:

- Publish equality Information – to demonstrate compliance with the general duty across its functions (**We will not publish any information that can specifically identify any child**)
- Prepare and publish equality objectives

To do this we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a school. This will include the following functions:

- Admissions
- Attendance
- Attainment
- Exclusions

- Prejudice related incidents

Our objectives will detail how we will ensure equality is applied to the services listed above however where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

In fulfilling our legal obligations we will:

- Recognise and respect diversity
- Foster positive attitudes and relationships, and a shared sense of belonging
- Observe good equalities practice, including staff recruitment, retention and development
- Aim to reduce and remove existing inequalities and barriers
- Consult and involve widely
- Strive to ensure that society will benefit

Our Ethos/mission

Our School Vision – “Let your light shine” Matthew 5:16

We work in partnership with home and Church to serve and nurture all adults and children in our care. Our Christian ethos and values are at the heart of everything we do, enabling our community to reach their full potential and flourish for life in all its fullness.

Aims and Values

We will achieve our vision by:

- promoting and embedding our Christian values throughout all aspects of school life; in our learning, our teaching and our support of the children as they develop and learn the skills of life;
- providing a safe and healthy school environment which sets an example for life choices both in and outside of school;
- respecting every member of the school community, encouraging, valuing and celebrating individual skills and talents;
- encouraging every individual to take responsibility for their learning, personal development and their actions;
- challenging everyone to strive to do their best at all times;
- providing a creative, inspiring and interactive learning environment to challenge and enthuse the children and to make learning fun;
- creating a warm, friendly and trusting atmosphere where we can try new things, knowing we can learn from our mistakes;
- ensuring school finances and resources are used effectively to support children’s learning and teaching commitments;
- collaborating fully within and between all members of the community – pupils, parents, staff, governors, Church members, other schools, the local community and national and international partners – ensuring all contributions are encouraged and valued;
- sharing and embedding our vision and ensuring we are forward looking and

flexible to meet the ever-changing needs of our society.

To implement our Vision, aims and values, we have developed a School Development Plan. This varies from year to year but will include plans relating to:

1. Educational Outcomes;
2. Curriculum Development;
3. Behaviour and Safety; and
4. Leadership and Management.

As a school, we value all staff and volunteers who work to support our pupils. In addressing the legal duties and principles within this policy statement, we will act to ensure that all adults and children are treated with respect and fairness.

Addressing Prejudice Related Incidents

This school is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fare less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice in order to prevent any incidents. If incidents still occur we address them immediately and report them to the Governing Body and Local Authority (using their guidance material). The Local Authority may provide some support.
