

CHRIST CHURCH CofE PRIMARY SCHOOL

WELLBEING & WIDER CURRICULUM OFFER

At Christ Church we believe that a truly effective education goes far beyond academic learning. By offering an enriching wellbeing curriculum—supported through trips, workshops, clubs, community events, and creative opportunities—we aim to nurture the whole child. These experiences help children develop confidence, curiosity, resilience, and a deep sense of belonging within their school and community.

Below are some of the things we regularly offer to our children:
