FROM THE HEADTEACHER

Good afternoon everyone,

This week has been super busy with trips to the cinema, forest school and assessment week to carry out.

The children have been amazing being sensible and trying hard in all that they do. I carried out a learning walk this week and was really pleased with the attitudes to learning in each classroom and the levels of engagement in their tasks.

In service this week, we learned all about Eid where two children shared their experiences of celebrating this festival as well as the meaning and traditions.

The children's reports are out today so please make sure you look in their book bags or rucksacks.

Regards

Mr James

[The Importance of a Healthy Packed Lunch in Primary School](#)

A healthy packed lunch plays a vital role in supporting a child's growth, learning, and overall well-being. Primary school children are at a stage where their bodies and brains are developing rapidly, and the food they eat directly impacts their energy levels, concentration, and long-term health. Even small changes make a big difference.

Why is a Healthy Packed Lunch Important?

- **Boosts Concentration and Learning:** Nutritious meals provide steady energy, helping children stay focused during lessons.
- **Supports Growth and Development:** Essential vitamins, minerals, and proteins aid in physical growth and brain development.
- **Encourages Good Habits:** Introducing balanced meals early helps children develop lifelong healthy eating habits.
- **Reduces Risk of Illness:** A diet rich in fruits, vegetables, and whole grains strengthens immunity.

What Makes a Healthy Packed Lunch?

A balanced lunch should include:

- **Protein:** Lean meats, boiled eggs, beans, or hummus for growth and repair.
- **Whole Grains:** Wholemeal bread, wraps, or pasta for sustained energy.
- **Fruit and Vegetables:** Apple slices, carrot sticks, cherry tomatoes for vitamins and fibre.
- **Dairy or Alternatives:** Low-fat yogurt or cheese for calcium.
- **Healthy Drink:** Water or milk instead of sugary drinks.

Here are example practical tips for parents to make healthy packed lunches easy and appealing:

Example Healthy Lunch Box:

- Wholemeal sandwich with turkey and salad or alternative fillings.
- A small pot of low-fat yogurt
- A handful of grapes
- Carrot sticks
- Include a small sweet treat but not a bag of sweets

Here are example **practical tips for parents** to make healthy packed lunches easy and appealing:

Tips for Packing Healthy Lunches

1. **Plan Ahead:** Prepare ingredients the night before to avoid rushed choices in the morning.
2. **Include Variety:** Mix colours and textures—fruits, crunchy veggies, whole grains, and proteins.
3. **Make It Fun:** Use cookie cutters for sandwiches or add colourful fruit skewers to make lunch exciting.
4. **Limit Processed Foods:** Avoid high content sugary snacks; opt for natural alternatives like popcorn or fruit
5. **Portion Wisely:** Keep portions child-sized to prevent waste and overeating.
6. **Get Kids Involved:** Let children help choose fruits or assemble wraps—they're more likely to eat what they helped make.
7. **Balance Treats:** An occasional small treat is fine, but keep it minimal compared to healthy items.

“Little Kickers” provides fun indoor football sessions to tens of thousands of boys and girls under the age of 8 all over the UK every week. We are delighted to bring these classes to children at Christchurch Primary School.

We recognise that every child is an individual, and that children have different abilities in terms of skill levels and fitness. At Little Kickers, we offer something for every child.

Ultimately, the emphasis is on all children having lots of fun and ending the sessions with smiles on their faces.

Each session comprises of fun games and activities – whilst the classes are very much football based, not every game involves a football. Invaluable social skills such as listening, sharing, taking turns and teamwork feature, as do balancing, agility and co-ordination.

‘Indoor’ footballs are used with mini ‘Little Kickers’ indoor goals – all appropriate for the age group, and sessions are run by FA qualified coaches who hold CRB/DBS, Emergency First Aid and Child Safeguarding certificates.

If this sounds like an activity your child would enjoy and you wish to book a place, you can get a letter from the school office.

Mystery Readers Wanted!

**Mystery Readers
Wanted!**
Wednesdays @ 2:40pm

WHO?
All parents, older siblings, grandparents, relatives, or other special people! Surprise your child by being a "Mystery Reader" this year in our classroom.

WHY?
Students LOVE having their family, friends, and relatives visit our classroom to share in our learning by reading a favorite story aloud to our class.

WHAT?
Mystery readers can bring a book from home or read a teacher chosen book from our class library.

Sign up here: 

9 - PLEASE GET IN TOUCH IF YOU ARE INTERESTED IN GIVING US A BIT OF YOUR TIME, (USUALLY LASTS AROUND 20 MINUTES) WE WOULD BE VERY GRATEFUL IF YOU OR ONE OF YOUR FAMILY MEMBERS WOULD LIKE TO POP IN!

Dear Parents / Carers,

Children LOVE having their family, friends and relatives visit their school to share in their learning. Beginning Wednesday 12th November, we would like to invite any parents, older siblings, grandparents, relatives, or other special people to surprise your child by being a 'Mystery Reader' in our classrooms.

Mystery Readers will visit us on Wednesdays at 2.40pm each week. However, if a Mystery Reader needs a different time to suit their schedule, we will be glad to accommodate if we can! Don't hesitate to get in touch with the class teacher on ClassDojo if this is the case.

Once you've signed up for a date to come and read to your child's class, you can start thinking of a book you would like to bring to read. If you don't have a book, we will gladly supply one for you.

Reading is highly valued in our classroom and inviting parents into our community of readers strengthens the homeschool connection that is so important in helping the children grow as readers. If you or someone in your family would like to participate, please complete this form:

<https://forms.gle/SXSqvZkULpPWLUPT6>

Your child's class teacher will then confirm the date with you via ClassDojo or through a phone call. Please wait for this confirmation before attending the school.

Your child will be SO excited that you or someone in your family participated, but remember to keep it 'top secret' until your big day arrives!

Thank you in advance for your help with this project

TIPS FOR FAMILIES

- 1 Encourage journaling**
Just like Riley, encourage your older children and young people to express their emotions and thoughts through journaling. It can be less confronting than speaking out loud and is a helpful way to process what is going on.
- 2 Make space for reflection**
When children and young people reflect on their different emotions, it can help them better understand themselves and what they need. Go for a walk, drive, or try some mindful colouring or baking together.
- 3 Be visual**
Use imagery, such as emojis or flashcards to help children and young people recognise and label their feelings.
- 4 Practice mindfulness**
Try mindful activities, and quiet family time, to enjoy being in the present moment. This can help children and young people be aware of their thoughts and emotions and learn a useful new coping technique.
- 5 Communicate**
Feedback is crucial for helping us see our blind spots and gain greater insight. Children and young people are no different. Creating safe and supportive ways to share your own experience with your child can help them understand themselves and their impact on the world around them.

If you're a parent or teacher, you'll find loads of useful advice to help you support the brilliant young people in your lives - from FAQs to downloadable packs. Here4You.co.uk
