'Let your light shine' Matthew 5:16

KALEIDOSCOPE

FROM THE HEADTEACHER

Good afternoon everyone,

What a week and a bit! I have had to close schools for snow but never for heat. I will continue to monitor the weather over the next few days and will be in discussion with the KMAT should any other plans be necessary. Thank you for your understanding during these unprecedented times.

Well done to Year 6 this week for their amazing performance at the Year 6 singing festival, they sang with gusto I was informed!

I took my collective worship leaders up to the church for a guided tour by Mr Hinchcliffe, the warden, so that they could really get to know their church. They will be doing a presentation to the school in the next service.

We have a week and a bit to go till the end of the year, sports day is on Tuesday so please come along. Have a lovely weekend!

Regards

Mr Kerry James

 **KINDNESS**  **FAIRNESS**  **FAITH**  **ASPIRATION**  **TEAMWORK**

As our school continues to evolve and develop to ensure we provide the very best opportunities and experiences for our children, we have taken the decision to update one of our core values from *Achievement* to *Aspiration*. We believe that achievement is something our children demonstrate every day through their learning, personal growth, relationships and contributions to school life. By adopting *Aspiration* as a core value, we aim to inspire our children to look beyond what they have already accomplished, encouraging them to dream big, set ambitious goals and develop the confidence and determination to reach their full potential.

The Importance of a Healthy Packed Lunch in Primary School

A healthy packed lunch plays a vital role in supporting a child's growth, learning, and overall well-being. Primary school children are at a stage where their bodies and brains are developing rapidly, and the food they eat directly impacts their energy levels, concentration, and long-term health. Even small changes make a big difference.

Why is a Healthy Packed Lunch Important?

- **Boosts Concentration and Learning:** Nutritious meals provide steady energy, helping children stay focused during lessons.
- **Supports Growth and Development:** Essential vitamins, minerals, and proteins aid in physical growth and brain development.
- **Encourages Good Habits:** Introducing balanced meals early helps children develop lifelong healthy eating habits.
- **Reduces Risk of Illness:** A diet rich in fruits, vegetables, and whole grains strengthens immunity.

What Makes a Healthy Packed Lunch?

A balanced lunch should include:

- **Protein:** Lean meats, boiled eggs, beans, or hummus for growth and repair.
- **Whole Grains:** Wholemeal bread, wraps, or pasta for sustained energy.
- **Fruit and Vegetables:** Apple slices, carrot sticks, cherry tomatoes for vitamins and fibre.
- **Dairy or Alternatives:** Low-fat yogurt or cheese for calcium.
- **Healthy Drink:** Water or milk instead of sugary drinks.

Example Healthy Lunch Box:

- Wholemeal sandwich with turkey and salad or alternative fillings.

- A small pot of low-fat yogurt
- A handful of grapes
- Carrot sticks
- Include a small sweet treat but not a bag of sweets

Here are example **practical tips for parents** to make healthy packed lunches easy and appealing:

Tips for Packing Healthy Lunches

1. **Plan Ahead:** Prepare ingredients the night before to avoid rushed choices in the morning.
2. **Include Variety:** Mix colours and textures—fruits, crunchy veggies, whole grains, and proteins.
3. **Make It Fun:** Use cookie cutters for sandwiches or add colourful fruit skewers to make lunch exciting.
4. **Limit Processed Foods:** Avoid high content sugary snacks; opt for natural alternatives like popcorn or fruit
5. **Portion Wisely:** Keep portions child-sized to prevent waste and overeating.
6. **Get Kids Involved:** Let children help choose fruits or assemble wraps—they're more likely to eat what they helped make.
7. **Balance Treats:** An occasional small treat is fine, but keep it minimal compared to healthy items.

Wednesday 1st July

Last week we had our whole school 'Moving Up' day, children got to experience some time in their new class ready for September and Year 6 enjoyed a few days checking out their new schools.

Reception class welcomed their new starters and also enjoyed a Teddy Bears Picnic. It was lovely to see so many people joining in!

This week we had Parents evening for years EYFS - year 5 thank you all for your support.

Year 6 thoroughly enjoyed their singing festival at Ashcombe Primary School yesterday and year 3 loved showing their parents all the skills and songs they have learned this term with their Ukulele show!

Tuesday 14th July

Sports Day - rearranged date, at Ashcombe Primary School from 9.30 to 11.30. Please ensure your child comes to school wearing a t-shirt in their house colour, black shorts or jogging bottoms and suitable footwear (do not worry if they do not have a t-shirt in their house colour, we can provide a colour bib). They should also bring a named water bottle and

we recommend providing sun protection (hat and sun cream). Please note; we are happy if you want to take pictures of your child(ren) but ask that these are kept for personal use and not uploaded onto social media. We look forward to seeing you there and sharing a fun and active day together!

Thursday 16th July

Year 4 and Year 5 have their trip to We the Curious. We will be leaving school after registration and will be back by the end of the school day. The children will need to wear school uniform and have a packed lunch with a drink (no bottles or fizzy drinks please).

Thursday 16th July

Tuesday 21st July

Whole school beach trip! We will take some equipment down to the beach to play games. Children may like to bring a bucket and spade to play in the sand. It would be appreciated if all of their belongings could be placed in a rucksack or backpack as the children will be required to carry everything. They will not need to bring any money with them. We are warmly welcoming all parents to volunteer to help accompany the children walking to and from school and help supervise all the fun on the beach if you could let the office or class teacher know if you are available so we know to add your name on to our risk assessment. We hope to see you there!

Future Stars After School Provision coming to an end.

Dear Parents and Carers,

We would like to take this opportunity to thank all the families who have supported our Future Stars After School Club over the past year. We have greatly appreciated your continued support and the enthusiasm shown by the children who have attended the club.

Unfortunately, due to budget constraints, together we have made the difficult decision that Future Stars After School Club will no longer be available from September this year. We understand that this news may be disappointing, this was not a decision we made lightly.

We would like to reassure parents that our other after-school clubs will continue as normal from September, including Art Club, Little Kickers and Multi Sports. We look forward to welcoming children to these clubs and continuing to provide a range of enjoyable after-school activities.

Thank you once again for your understanding and continued support.

Kind regards,

Mr James

Summer Reading Challenge

North Somerset has been selected by **The Reading Agency** as this year's winning library authority for our **Literacy Wall Art prize** linked to the **Summer Reading Challenge 2026**.

North Somerset Council has decided to award the prize to the school with the **highest percentage of pupils completing the Summer Reading Challenge** over the summer holidays.

³<mailto:family.ministry@ccwsm.org.uk>

⁴<http://www.ccwsm.org.uk/>

The challenge begins on **4th July** and is a fantastic way to encourage children to keep reading during the break, with pupils able to take part through local libraries and online by logging the books they read.

The winning school will receive a fully bespoke literacy Wall Art project from Promote Your School, including design, print and installation. Projects can include book-themed artwork, author quotes, library graphics and reading inspiration, all designed specifically for your school.

The more pupils your school has completing the challenge, the greater your chance of winning the Wall Art prize, so it's well worth encouraging pupils and families to get involved over the summer holidays.

One North Somerset school will definitely win, and it could be yours. Find out more here⁵.

To help promote the Challenge in your classroom, you can get exclusive access to a **full bundle of classroom resources** designed to help you seamlessly integrate the Challenge into your school. You'll receive an assembly presentation, printable posters, activities and newsletter templates for parents and carers. Sign up here⁶.

If you'd like any more information about the Wall Art prize, feel free to get in touch.

I wish you all the best of luck and happy reading!

Many thanks,

Valentino??

WATER SAFETY THIS SUMMER

WATER SAFETY

Most people who are rescued from water have entered accidentally.

WATER SAFETY

Most people who are rescued from water have entered accidentally.

Slipping, tripping or falling whilst running, walking or cycling.

How?

WATER SAFETY

Some people put themselves in danger by choosing to swim and jump into water where it is not safe.

Strong currents, dumped rubbish, strong winds, pollution and water temperatures can all be hidden dangers.

EVEN THE STRONGEST SWIMMERS CAN GET INTO TROUBLE IN THE WATER

Hurting themselves when they fall in

Getting caught on hazards hidden below the water's surface

Getting caught in strong currents

Suffering from cold water shock

COLD WATER SHOCK

Falling or jumping into water at this temperature causes dangerous responses in your body:

Panicking & gasping for air

Numbing of arms & legs

Feeling confused

Increased heart rate

All of which stop you being able to swim!

Even in the middle of summer, the water in rivers, lakes and canals rarely rises above 12 degrees.

FLOAT TO LIVE

If you get into trouble in the water, make sure you know how to 'Float to Live'.

- Lie back in a starfish shape
- Move arms & legs gently to stay afloat
- Calm your breathing
- Shout for help

Mystery Readers Wanted!

Mystery Readers Wanted!

Wednesdays @ 2:40pm

Who is this
masked
reader???

WHO?

All parents, older siblings, grandparents, relatives, or other special people! Surprise your child by being a "Mystery Reader" this year in our classroom.

WHY?

Students LOVE having their family, friends, and relatives visit our classroom to share in our learning by reading a favorite story aloud to our class.

WHAT?

Mystery readers can bring a book from home or read a teacher chosen book from our class library.

Sign up here:

3 - PLEASE GET IN TOUCH IF YOU ARE INTERESTED IN GIVING US A BIT OF YOUR TIME AS WE DON'T HAVE ANY SIGNED UP FOR TERM 5 AT PRESENT. WE WOULD BE VERY GRATEFUL IF YOU OR ONE OF YOUR FAMILY MEMBERS WOULD LIKE TO POP IN! (USUALLY LASTS AROUND 20 MINUTES)

Dear Parents / Carers,

Children LOVE having their family, friends and relatives visit their school to share in their learning. Beginning Wednesday 12th November, we would like to invite any parents, older siblings, grandparents, relatives, or other special people to surprise your child by being a 'Mystery Reader' in our classrooms.

Mystery Readers will visit us on Wednesdays at 2.40pm each week. However, if a Mystery Reader needs a different time to suit their schedule, we will be glad to accommodate if we can! Don't hesitate to get in touch with the class teacher on ClassDojo if this is the case.

Once you've signed up for a date to come and read to your child's class, you can start thinking of a book you would like to bring to read. If you don't have a book, we will gladly supply one for you.

Reading is highly valued in our classroom and inviting parents into our community of readers strengthens the home-school connection that is so important in helping the children grow as readers.

If you or someone in your family would like to participate, please complete this form:

<https://forms.gle/SXSqvZkULpPWLUPT6>

Your child's class teacher will then confirm the date with you via ClassDojo or through a phone call. Please wait for this confirmation before attending the school.

Your child will be SO excited that you or someone in your family participated, but remember to keep it 'top secret' until your big day arrives!

Thank you in advance for your help with this project

ATTENDANCE THIS WEEK

GATE OPENS: 08:35

REGISTER: 08:45

REGISTER CLOSES: 08:50 - **CHILDREN ARRIVING AFTER THIS TIME WILL BE LATE AND CLASSED AS AN UNAUTHORISED LATE MARK FOR THE MORNING. TEN OF THESE WILL RESULT IN A FINE.**

Please phone 01934 620738 or email the School Office on office@christchurchprimaryschool.org²⁴ before 9am on each day of your child's absence with a reason. If they are unwell, we will need to know their symptoms and you may be asked to provide medical evidence. We also need to know of any absences as early as possible each day for the register to be updated for fire safety reasons.

The Whole School Attendance last week was 96.5 and this week was 95%

We would like to remind all families of the importance of punctuality at both the start and end of the school day. Arrival after the register has closed results in an unauthorised late mark, in line with school policy. **Any children that arrive once the gate has been closed, will need to be signed in by the parent/carer dropping them off, please remember to shut the gate when you enter and leave.**

We have also seen an increase in late collections at the end of the day, with staff frequently supervising pupils well beyond the end of the school day, we appreciate there can be exceptional circumstances and we will always ensure your child remains safe in school.

²⁴<mailto:office@christchurchprimaryschool.org>

We kindly ask that all parents and carers ensure children arrive on time each morning and are collected promptly at the designated time. Your support helps us maintain a smooth, safe and positive environment for all pupils.

TIPS FOR FAMILIES

Place2Be's
CHILDREN'S MENTAL HEALTH WEEK

1 Encourage journaling

Just like Riley, encourage your older children and young people to express their emotions and thoughts through journaling. It can be less confronting than speaking out loud and is a helpful way to process what is going on.

2 Make space for reflection

When children and young people reflect on their different emotions, it can help them better understand themselves and what they need. Go for a walk, drive, or try some mindful colouring or baking together.

3 Be visual

Use imagery, such as emojis or flashcards to help children and young people recognise and label their feelings.

4 Practice mindfulness

Try mindful activities, and quiet family time, to enjoy being in the present moment. This can help children and young people be aware of their thoughts and emotions and learn a useful new coping technique.

5 Communicate

Feedback is crucial for helping us see our blind spots and gain greater insight. Children and young people are no different. Creating safe and supportive ways to share your own experience with your child can help them understand themselves and their impact on the world around them.

If you're a parent or teacher, you'll find loads of useful advice to help you support the brilliant young people in your lives – from FAQs to downloadable packs. [Here4You.co.uk](https://www.here4you.co.uk)

At the National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and digital citizenship. What Parents & Educators Need to Know about SCAMS AND FAKE NEWS

"Fake news" refers to fabricated or misleading material presented as a legitimate account of events, is often used by malicious actors online to push on agendas, or even by criminals as a way of making scams more persuasive. Scammers can trick us into handing over personal information, security details and even our hard-earned cash.

WHAT ARE THE RISKS?

"CLICKBAIT" PHISHING SCAMS

A message arrives saying "Have you seen this amazing product?" or "You might be owed an attention-grabbing headline about a celebrity that's been shared on social media. This kind of 'bait' is produced by scammers to draw us in to click on a website link, where malware could be downloaded to our device. These scams rely on our curiosity and our "need for know" instinct.

SALES, DEALS & DISCOUNTS

Some scammers appear as adverts, offering a chance to buy something – such as designer products, expensive gadgets or tickets to an event – at a low price. Some prey on our desire to get a good deal, others on our fear of missing out to hurry us to act before the offer ends. These promises encourage us to give personal details or payment information before passing to a safe or legitimate.

YOU'RE A WINNER!

This kind of scam involves fake giveaways, opportunities or prizes. It could be a message saying we've won a prize or a competition, or a link to a website. The link could be a phishing attempt, or it might claim that a package or refund is waiting. If these techniques are used to prompt us to share our personal information, those might turn out to be a scam to be avoided.

HAPPENS NOW

FALSE FRIENDSHIPS

Scammers often pretend to be someone they're not to gain their victims' trust. They might attempt to convince you that they're a friend or a family member, or even a celebrity. They'll use a variety of tactics to gain your trust, such as sharing personal details, or even a video of themselves. Scammers can trick us into handing over personal information, security details and even our hard-earned cash.

FAKE CELEBRITY ENDORSEMENTS

Impersonating influential people online is a common tactic for scammers, who can use technology to create fake photos, quotes and even videos that look authentic. These can be used to convince us, for example, to buy products, sign up for a service, or even to claim that they're in trouble and need help.

Advice for Parents & Educators

STAY INFORMED

Stay up to date with the latest information and best practice on cyber security. See what news stories are reported in the news and make sure you're aware of the risks. Talk to your child about what they're doing online and what they've seen. Encourage children to recognise that pressure to act and to always consult with an adult – especially if what's on offer sounds too good to be true.

ENCOURAGE HEALTHY SKEPTICISM

Most scams rely on emotional or psychological manipulation, tapping into our human instincts – whether that's to keep ourselves safe, help others, find evidence, make friends, avoid being put at risk or to avoid something we really want. Encourage children to recognise that pressure to act and to always consult with an adult – especially if what's on offer sounds too good to be true.

TALK TOGETHER

Chat often and openly with young people about fake news, online scams and how they can work. Encourage them to look for any clues or anything they're unsure of or worried about online. Encourage them to talk to you about anything they're unsure of or worried about online. Encourage them to talk to you about anything they're unsure of or worried about online.

BE PROACTIVE

Children increasingly use digital devices for education, socialising, shopping and play. Don't wait for a problem to arise before you discuss the risk of scams, fake news and online safety. Highlight what to look out for and share your own experience. Encourage them to talk to you about anything they're unsure of or worried about online.
